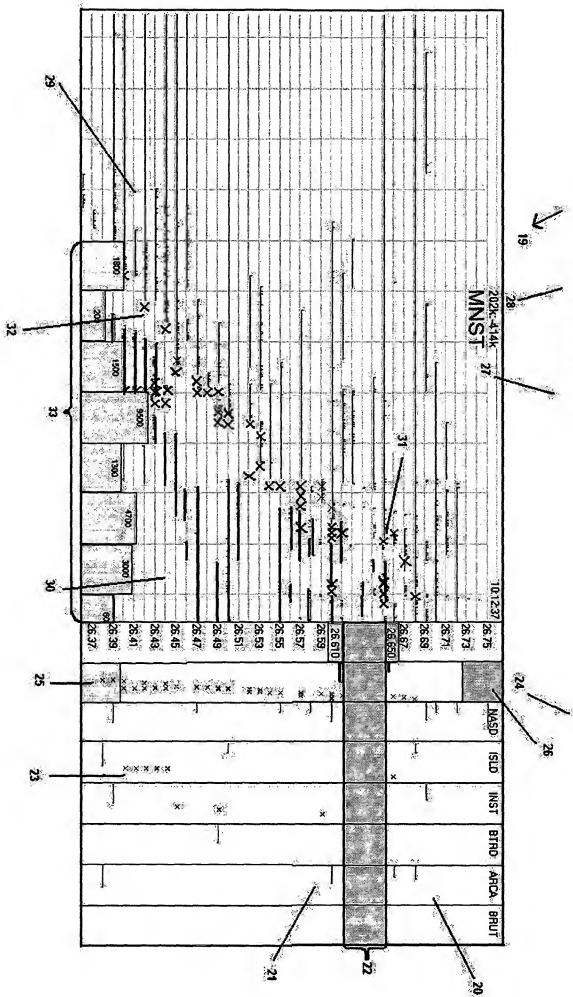

FIG 3
(Execution Window)

The screenshot displays an "Execution Window" with a title bar (35) and a maximize button (34). The window contains two main sections. The top section (36) is a list of orders with columns for Symbol (37), Have (38), Want (39), Price (40), and Status. The bottom section (41) is a summary table with columns for Symbol (42), Position (43), Local P&L (44), Price (45), and Exposure (46).

Symbol	Have	Want	Price	Status
AMKR.ISLD	0	20	17.73	
CERS.ISLD	0	70	7.24	
IIJI				
MRVL				
CYBX				
ARBA
